New Ownership & Programming For WTSA

Jared Goodell, owner of Community Media, has purchased WTSA AM & FM in Brattleboro from Four Seasons Media owned by VAB Hall of Fame member Kelli Corbeil.

On January 1st, WTSA-FM changed to AC format Magic 96.7. And its sister station, WTSA-AM with an FM translator changed from rock format "The Beast" to "Country 99.5."

Goodell is anchoring "Magic Mornings with JJ & Gini" alongside Gini Kernozicky. The station has also added John Tesh's "Intelligence For Your Life" at night.

Goodell previously held on-air and sales roles at Saga Communications in Brattleboro and Keene, NH as well as Manchester, NH between 2011 and 2016 and later served as Operations Manager for the syndicated Howie Carr Show. He was also weekend host on WRKO Boston before moving into real estate investment.

VAB Intern Subsidy Program Accepting Station Applications For Spring & Summer 2026

The VAB's Intern Subsidy Program, designed to excite students about careers in broadcasting and connect them with TV and radio stations who need workforce support, is now accepting applications for Spring and Summer 2026 intern subsidies. If approved, your station will receive \$1,989 to pay a student intern for 120 hours!

[Download Application](#)

Here's how it works:

- [Download, fill out and submit the station application](#)
- VAB Board reviews applications, selects and notifies grantees.
- VAB writes a check to the station for \$1989.96; \$1,730.40 to pay 120 hours at \$14.42/hour (2026 VT minimum wage) + 15% (\$259.56) towards payroll tax.
- Station finds and hires the intern on their own. VAB provides contacts at all the Vermont colleges so you can , but will pconnect with them, but will play no role in the selection process.
- Intern must be a Junior or Senior doing it for college credit or a trade or high school student in either a CTE program or club pertaining to the media, marketing or engineering industry.

Rules For Applying:

In order to qualify for the VAB's Intern Subsidy Program, station must:

- Be a member of the VAB with current Fiscal Year dues paid in full.
- Have a dedicated, named, supervisor to oversee the intern during their time at the station.

Student Requirements:

In order to qualify for the intern subsidy program, students must:

- Be entering their Junior or Senior year at an accredited college/university/trade or high school.
- Be majoring in, minoring in, or be an active participant in a school program or club about TV, radio, communications, media, marketing, engineering or other related fields.
- Participate in an interview with prospective station(s).
- Be a resident of Vermont OR a non-resident student currently attending a school in Vermont.

Reasons to have a paid intern:

1. Great way to instill a passion for broadcast in a future generation.
2. Solves workforce challenges at no additional cost to the station.
3. Helps stations fulfill their yearly EEO credits.
